Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Tuesday 29 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mainly dry with clear or sunny spells, but north cloudier.

Today:
Cloud and patchy drizzle become increasingly confined to northern coastal parts through the morning. Otherwise another fine day with some good spells of warm sunshine especially in the east. Maximum temperature 23 deg C (73 deg F).

Tonight:
Cloud spreading readily inland from the north during the evening with mist and fog forming, feeling cold in the cloud with some drizzle too. Minimum temperature 6 deg C (43 deg F).

Wednesday:
Cloud will clear slowly during in the morning perhaps lingering around the coasts for much of the day, but afternoon sunshine is likely inland. Maximum temperature 22 deg C (72 deg F).

Outlook for Thursday to Saturday:
Largely dry and bright on Thursday and Friday, especially inland, low cloud may still linger around coasts. Cloudier on Saturday with some rain likely.
